

2005 Seven Hills Vineyard

Walla Walla Valley

Winemaker Notes

Our goal with this vineyard-designate program is to showcase the uniqueness of each of our vineyards. I like to describe Seven Hills as the feminine side of our wines: finesse and elegance with a long and persistent finish. This polished and complex wine has a pretty perfume of blackberry liquor, dusty red berries, earth and pencil lead. On the palate, the wine is supple with a lush texture and fine depth. We aged this wine for 18 months in 59% new French oak barrels.

- Jean-François Pellet, Winemaker

The 2005 Vintage

The 2005 vintage started off as a big challenge because the previous year has been a freeze year with very little fruit to harvest. I was somewhat anxious and worried about how the vines would come back. We spent extra effort pruning, shoot thinning and crop thinning to make sure the fruit came back evenly.

Mother Nature provided us with a classic wine-growing season. Bud break started around the third week in April, and very warm, sunny days filled the summer. We had plenty of heat units to fully ripen the grapes. Then the weather cooled off a little earlier than usual, dropping into the 80s around the end of August. This cooling-down period maximized flavor development. The wines from the 2005 vintage have terrific fruit intensity, show great natural acidity and are beautifully balanced.

100% Estate
Sustainably Farmed

Wine Specifics

Varietal(s):	61% Cabernet Sauvignon, 39% Merlot
Vineyard(s):	100% Seven Hills Vineyard
Appellation:	100% Walla Walla Valley
Oak Program:	100% French oak 51% new oak, 49% used oak
