“Aromas of dark cherries, baked blueberries, chocolate, praline and tar. It’s full-bodied with creamy tannins and a plush, smooth palate. Plummy and chocolatey finish.”

“...the 2017 Cabernet Sauvignon offers a dusty expression with purple flowers and aromas of black cherry, blackberry, currant and cassis, before exposing subtle tones of dried savory herbs and baked earth. Medium to full-bodied, the wine is lively with energetic acidity and lifting tannins before ending with a delightfully clean, tannic grip. ”

“Its deep purple color is followed by classic Cabernet cassis like fruit as well as smoked tobacco, damp earth, leather, and chocolate aromas and flavors. It's beautifully done, medium to full-bodied, and will keep for 15+ years.”
