## 2017 Cabernet Sauvignon Critical Acclaim

**JAMESSUCKLING.COM** 

92 pts.

“Blackcurrants, dried herbs, tobacco, cocoa and stones on the nose. It’s medium-to full-bodied with firm, chewy tannins and fresh acidity. Excellent structure and balance.”

**JEB DUNNUCK**

92+ pts.

“...deep purple color is followed by classic Cabernet cassis like fruit as well as smoked tobacco, damp earth, leather, and chocolate aromas and flavors. It’s beautifully done, medium to full-bodied...”

**OWEN BARGREEN**

94 pts.

“...beautiful balance with great tension and mouthfeel. Ripe cassis and anise tones combine with coffee grounds, huckleberry and sage accents on the palate. Firm tannins hold everything in place...”

  
WINE ADVOCATE  
90+ pts.

“...a dusty expression with purple flowers and aromas of black cherry, blackberry, currant and cassis, before exposing subtle tones of dried savory herbs and baked earth. Medium to full-bodied, the wine is lively with energetic acidity and lifting tannins before ending with a delightfully clean, tannic grip.”

**vinOUS**

91+ pts.

“...expressive aromas of cassis, cherry tart, menthol, licorice and bitter chocolate. A juicy, intensely flavored midweight with a smooth texture and a slightly herbal menthol coolness to its dark berry and bitter chocolate.”
