## 2018 Sauvignon Blanc Critical Acclaim

### JEB DUNNUCK

91 pts.

“offers up a tight, slightly reductive style that slowly gives up lots of citrus, crushed rocks, tart apple aromas and flavors. The fruit comes out more on the palate, and it's medium-bodied, has a silky texture, beautiful balance, and a great finish. It's a straight-up impressive, classy Sauvignon Blanc that's going to benefit from a year of bottle age and I suspect evolve for 7-8 years or more.”

“...opens with spicy citrus, pineapple and peach aromas. Medium-bodied, the wine is full and zippy on the palate, with a citrus-driven expression and a soft lemon-yogurt flavor on the mid-palate, ending with an expedited finish.”

### vinOUS

“Captivating aromatic lift to the aromas of grapefruit, guava and grass. Round, silky and quite dry, with tropical fruit, lemon zest and wild herb flavors enlivened by minerality... nicely framed by harmonious acidity... This will probably age for a few years without any problems. ”
