2016

CABERNET SAUVIGNON

CRITICAL ACCLAIM

JEB DUNNUCK

93 Points

"...The 2016 Cabernet Sauvignon is darker and meatier, with lots of cassis, graphite, and crushed rock aromas, medium to full body, beautiful depth of fruit, and sweet tannins. It too is polished, sweetly fruited, and incredibly charming. It's a seriously good Washington State Cabernet to drink over the coming 15-20 years."

Wine & Spirits

91 Points

"It's lean and focused, with flavors of dark plum and sumptuous oak supported by cocoa-textured tannins."
