**JEB DUNNUCK**

**92 Points**

"The 2016 Merlot sports a deep purple/ruby color as well as an exotic quality in its red currants, black cherry, orange zest, and leafy herb aromas and flavors. It's ripe, sexy and layered on the palate, with medium to full-bodied richness, and is a ripe, plump, pleasure-bent Merlot that's well worth your time and money."

**Wine & Spirits**

**90 Points**

Light and silky, this has a briary cherry scent and dusty minerals lining its velvety red-plum flavors. With its fine-grain tannins and a base of firm oak, it's ready to go up against a charcuterie plate."
