

PEPPER BRIDGE WINERY

WALLA WALLA VALLEY

2016 TRINE

CRITICAL ACCLAIM

JEB DUNNUCK

95 Points

"...Black currants, scorched earth, graphite, and crushed rock notes all flow to a full-bodied, powerfully concentrated red that has rocking purity, minerality and length..."

Wine & Spirits

92 Points

"...This is warm and spicy, like dark cherry jam infused with licorice and mocha. The flavors are more concentrated than the herbal aromas would suggest, with fine, cedary tannins adding structure and spice to the wine's figgy ripeness. For rosemary-roasted lamb."
